Working in partnership

I am sure you will agree that we are fortunate to live in such a beautiful county and that Herefordshire is a safe place to live! However keeping Herefordshire safe relies on communities and the police working together. You are the eyes and ears of the community! Please report all incidents to us, no matter how trivial you think it is. Your information may be the missing piece in our jigsaw and could help to catch criminals and make Kington an even better place in which to live.

your Local Police
Officer

Community
Support Officer

ON THE BEAT

Beer Bottles

We have recently had reports of beer bottles being smashed around the town. We would like to remind people that the town centre and recreation ground is a no drinking zone. Any litter should be disposed of in the appropriate manner.

Alcohol Related Anti Social Behaviour

*We are all for people going out and having a good time however, we would like to remind people that alcohol related Anti Social Behaviour **WILL NOT** be tolerated and positive action will be taken against offenders. Have respect for the residents of the town and avoid a ride in a police van! Drink sensibly, have a good time and get home quietly and safely.*

Kington Vintage Show

Kington Vintage show was a delight for the local policing team, it brought the community together and it was really nice to see so many people at the recreation ground supporting the event. It was also an education and the first time PC Tony SHAW has had a pursuit on a Traction Engine! An enjoyable time was had by all.

Speed Enforcement

We will continue to conduct regular speed enforcement checks in and around the town. Please continue to drive safely and continue to make the roads a safe place around KINGTON. Recent checks have revealed the message is getting out and people are driving in a safer manner. Thank-You

Vehicle related Anti- Social Behaviour

We have received a few complaints about members of the public driving in an Anti-social manner in the town and up at Kington Golf club. The Local Police Team will not tolerate this type of behaviour and will be taking positive action to STOP this Behaviour.

News from the Blues

A local man was arrested for driving whilst disqualified on 20th August 2011. He appeared in court and received a further fine and ban. This was as a result of information received from a member of the public and is a good example of the community and the police working in partnership.

On the Bank Holiday weekend we received 5 incidents which were related to people behaving in an Anti-social manner. We have received 7 names of people who we believed to be involved with this and they will all be receiving Anti-Social Behaviour letters from the Police.
