4 **General Purposes**

There was nothing to report under this agenda item.
- b) **Provision for young people**
Members noted that Cllr. Gardner is to attend a meeting representing the town council in connection with provision for young people and would report on the outcome in due course.
- c) **Public Toilets**
It was noted that a meeting with Herefordshire Council to discuss the proposal that the Town Council might consider taking over the public toilets in Kington was still awaited. Herefordshire Council has indicated that it will prepare a schedule of their proposed renovations, together with full details of the terms and conditions of any transfer of responsibilities before convening the proposed meeting.
- d) **Tourism and Tourist Information Centre**
Following on from the report at the last meeting and at the full council meeting earlier in the month, it was noted that the new Visit Kington page of the Visit Herefordshire website is being populated albeit with some technical difficulties encountered by some businesses/providers.
- e) **Arts, culture and museum provision**
It was noted that the museum is to re-open at the end of March. Also noted was that the Marches Makers Festival will take place in May and will include an exhibition in the Church.

There was nothing to report under this agenda item.

5 **Personnel Matters**

- a) **Town Clerk recruitment**
Cllr. Woolford reported on the recruitment process agreed with LCC who have provided the advertisement and recruitment pack. Following publication of the advertisement, there have been seven expressions of interest to date although none have submitted a full application yet. Cllr. Woolford will contact those who have expressed an interest and remind them of the deadline. A query regarding HALC membership and SLCC subscription payments had been responded to.

If there are no applications, Cllr. Woolford proposed using a locum to provide cover once the Clerk leaves although this might lead to practical difficulties given the need to comply with deadlines over end of financial year procedures as noted under agenda item 3(b) above. It was noted that this would need to be reconsidered once the number of applicants was known.

Finally, it was agreed that a meeting of the recruitment working group would take place at 5pm on Tuesday 10th March via Zoom to review applications received with papers made available to the group prior to the meeting. The Clerk was asked to set this up.

b) **Working party decisions**

It was agreed that decisions made by the working party, including engagement of recruitment consultants and terms and conditions of engagement, agreement of job descriptions and advertising copy, etc. would be ratified. Contract documentation to be provided to the Clerk for Town Council records. The initial budget of £3,500 was confirmed with the proviso that further funds might be required depending upon the response by candidates. This would need to be put to full council for agreement. It was also noted that final confirmation of appointment of the successful candidate would need to be made by full council, which might require an extraordinary meeting to be convened to do so.

c) **Interview panel and format**

It was agreed that initial interviews with candidates would be online with candidates provided with the interview questions as drafted by the recruitment consultants. If only a few applications are received, interviews will be in person final interviews only. This will be confirmed once the application deadline has been reached.
