- Env 023-17 3. **REPAIR TO CHURCHYARD WALL**
The Clerk reported that in total six local companies had been invited to quote for the repair to the churchyard wall in accordance with the agreed specification drawn up by Donald MacIntyre. One quotation had been received with a quoted price of £9,800.00.

It was acknowledged that further quotes might be forthcoming from builders outside of the region, but in the interests of getting the repair completed before the winter, **it was resolved** that this Committee recommends that the Full Council accepts the quotation submitted for this repair.
