

## Herefordshire Libraries

# Library Amnesty

**To celebrate Libraries Week 2017 there will be an amnesty on library fines throughout October**

We are also introducing some other changes to help make your library visit even better:

- No overdue fines for children and teenagers (age 0 - 17)
- Unlimited unseen renewals unless items are reserved
- Email reminders about library loans and reservations

**If you haven't used the library for a while, if you have library books overdue, or if you have outstanding fines, this is a perfect opportunity to revisit the library and update your account.**

For a full list of changes and charges please see our website: **[www.herefordshire.gov.uk/libraries](http://www.herefordshire.gov.uk/libraries)**
